1 SPECIAL AGENT FORD: -- or I do a bookmark so I
2 know how to get to where I need to go.

3 MR. SANDERS: Yeah, there's, there's none of
4 that.

5 SPECIAL AGENT FORD: So you just did Wiki and
6 then it would take you --

7 SPECIAL AGENT OBIE: Do you go through Wiki every
8 single time? Like what, what site would you click on Wiki?

9 MR. SANDERS: Any of like -- you want me to show
10 you?

11 SPECIAL AGENT OBIE: I mean, it's coming up. I'm
12 just going to -- so --

13 SPECIAL AGENT FORD: All right, so we can keep,
14 keep the thing moving. All right. Is there anything
15 anywhere else you would go to get child porn or was that
16 the -- it just -- Tor? So even in like, Telegram, Kik --
17 oop, God -- Telegram, Kik -- sorry, if I fall it is what it

24 MR. SANDERS: -- on Kik, many years ago.

25 SPECIAL AGENT FORD: Talking about right now. If

1 I -- now if -- when I go into your phone --

2 MR. SANDERS: I have not seen any today. I have

12 MR. SANDERS: Weeks -- yeah.

13 SPECIAL AGENT OBIE: -- look at it was within
14 this month.

15 MR. SANDERS: No.

16 SPECIAL AGENT OBIE: Or within a month's
17 timeframe.

18 MR. SANDERS: It might have been a little before.
19 But some -- somewhat around there is when I --

20 SPECIAL AGENT OBIE: Okay.

21 MR. SANDERS: -- pulled everything that was left
22 on the laptop off, to my knowledge, and put it onto the
23 flash drive.

24 SPECIAL AGENT OBIE: And what type of -- so when
25 Boy Vids went down, what type of other sites would you kind
